Trophies

A beautiful trophy was presented by the Folk, Round and Square Dance Federation asking that it be a symbol of friendship and goodwill and be given to the club with the largest percentage of members attending a Federation dance. The following rules regarding the trophy were accepted by the federation:

1. The trophy will be awarded by the Folk, Round and Square Dance Federation of North Carolina to the Square Dance and/or Round Dance club with the highest percentage of club members attending the quarterly Federation dance.
 2. The winning club must be a member of the Folk, Round and Square Dance Federation of North Carolina.
 3. All clubs except the host club are eligible to win the trophy, but a club cannot win the trophy twice in succession.
 4. If a Callers Association sponsors the Federation dance, all clubs will be eligible to win the trophy; if a Dancers Association sponsors the Federation dance, no club that is a member of that association will be eligible to win the trophy.
 5. The club winning the trophy is responsible for its return, in good condition, to the next Federation dance.
 6. The Folk, Round and Square Dance Federation of North Carolina may supplement these rules as deemed necessary.

Merry Mixers

Eva Murray, caller

November 2019

The Merry Mixers has taken on a new format once again. (Mainstream started even before it was defined by CALLERLAB, Plus level and then Advanced level.) We are now a 12 week club dancing at the CALLERLAB Sustainable Square Dance (SSD) level. We dance on Wednesday evenings at the 804 Studio located at 804 Heritage Lake Road in Wake Forest. No partner is required and we welcome students and families that want to learn to dance and join the club in just 12 weeks.

The first class has completed the first half of the 12 week program and will graduate before the end of 2019. We want to thank the Angels from Capital Squares and Magic Squares that have given great support for this new class.

Experienced dancers are always welcome at Merry Mixers since our members are not able to dance with you at the Mainstream and Plus level. The class is held from 7:00 to 8:30 and then the club will dance from 8:30 to 9:30, beginning in January.

We start three new 12 week classes each year. Our second 12 week class will start on January 8, 2020. You may wish to send your new students to Merry Mixers so that they can learn the basics of square dancing in a fun environment. After about a year of dancing some of the Merry Mixers dancers are likely to want to learn to dance at the Mainstream and Plus level clubs.

Spinning Moors

Mooreville
November 2019

The Spinning Moors “Race City Dance” was on September 7. Caller Bob Asp from Illinois was the caller and Peggy Broadway was the cuer for the evening. The green flag dropped at 7:30 PM and the announcement of “Ladies and gentlemen start your dancing!” was made. The black flag was waved when the refreshments were ready to be served. A dancer’s shoe was untied that caused a caution so the yellow flag was thrown and the dancer was ejected from the floor. The white flag signaled there was one tip to go and, of course, the checkered flag was waved at the end of the dance. Everyone was a winner since they stayed for the finish and enjoyed food, fun, and fellowship.

Theresa Rutz was the caller for the “HeeHaw Dance” on October 5. Peggy Broadway led the round dances. Jack and Brenda Untener worked tirelessly on the script for the evening. Jokes were provided by the KORN radio announcers, Bob Fields and Karen Rakes, along with many dancers.

The “Glow for Veteran’s Dance” was a lot of fun. Randy Page and Peggy Broadway provided the dance program. This is a picture of one square dancing in the dark! Sometimes it was difficult to find the right partner and corner.

The Spinning Moors dance the first Saturday of the month from 7:30 until 9:30 PM with early rounds at 7:00 PM. Our new location is Central United Methodist Church, 214 Academy Street, Mooreville, NC 28115. All square dancers are invited to visit and enjoy an evening of fun and fellowship.

SQUARE HEELS

CHAPEL HILL, NC

Square Heels dance every Friday night from 7:30 to 10:00pm with a Walk Through offered from 7 to 7:30pm for those who would like a review of calls. Please visit our website for the caller schedule and additional details (www.squareheels.org). We love guests to come dance with us so please do so if you are in or around Chapel Hill on a Friday night.

A class of twelve new dancers started in September of 2018. They have completed the Mainstream List of calls and are now almost finished learning the Plus calls. We are thrilled to have this group of new dancers joining us!

Since our last Promenade article, Square Heels has hosted the following theme nights:

On “Frozen Fifth” Night on July 5th we served up ice cream with a huge number of toppings and enjoyed eating scrumptious ice cream sundaes – mmmmm good!!

“Let’s Be Lucky” was our theme on Friday night September 13th! Dancers were encouraged to wear black and carry a lucky charm, a rabbit’s foot, or any other item they might consider to be lucky!

“Fright Night” on November 1st was our Halloween Bash and there were many frightening costumes swirling on the dance floor!

Still upcoming in 2019 – our final theme night for this year:

“Holiday Party” Night on December 13th complete with an absolutely scrumptious pot luck buffet! If you join us for this evening of food and dancing you may want to consider wearing your holiday best!

The Square Heels Executive Committee is currently scheduling our wonderful group of callers and cuers for 2020. Members of Square Heels consider ourselves very fortunate to have the following fun-loving and wonderful callers and cuers grace our dance hall stage: Jimmy Roberson, Bob Price, Vance McDaniel, Patty Greene, and Marty Northrup. Our cast of round dance cuers includes Jim Adcock, Gail Eastling, and Barbara Bibb. And we are happy to offer line dancing with Dianne Brown when scheduling allows!

We’d love for you to come and dance with us any Friday night!

**HERE’S HOPING THAT WE SEE YOU ON THE DANCE FLOOR DURING THE REMAINING
MONTHS OF 2019 – OR SOMETIME IN 2020!**
